

RE13 METAL PAN CEILING BRACKET (ii) INSTALLATION INSTRUCTIONS

**PLEASE READ THESE INSTRUCTIONS CAREFULLY BEFORE INSTALLATION AND LEAVE
A COPY WITH THE END USER FOR FUTURE REFERENCE.**

We suggest ordering a sample to test it on your exact ceiling make and model.

Install and use strictly in accordance with these instructions. Make sure that you have all the tools and equipment to complete the installation safely and correctly. Improper installation could cause harm to your property and/or person and void your warranty. It is the installer's responsibility to consider fire and safety risks and take appropriate precautions.

STEP 1

RE13 x 4

PWA 4 x 8 pcs

STEP 2

By measuring the thickness of the ceiling, RE13 height is adjusted and fixed.

STEP 3

Use the pwa 4x8 screw to correct the RE13 correctly on the Panel

STEP 4

Use four on each panel

STEP 5

Connect LED driver and place panel in ceiling

STEP 6

Installation complete

WARRANTY

This product is in warranty in the UK for a period of 3 year from the date of purchase. The guarantee is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment. Should this product fail during the warranty period, it will be replaced free of charge, subject to the aforementioned conditions and return of the faulty unit. We do not accept responsibility for any installation costs associated with the replacement of this product. Your statutory rights are not affected.
