Overview

Applications	Interior
Construction Material	Aluminium
Diffuser Type	Opal polycarbonate-TP(a) rated
IP Rating	IP40
IK Rating	IK08
Mounting	Solid, plasterboard, T-grid ceiling mounted, suspended, wall mounted, recessed, track, solid rod
Ambient Temperature	-20°C to +45°C (0°C to 40°C for emergency)
Warranty	5 years

Luminaire Output

Colour Temperature	3000K 4000K 5000K Tunable White 2700K-6500K
CRI	>90Ra
Efficacy	~120 lm/W
Beam Angle	100°
Operating Hours	50,000

Supply & Power

Voltage Range	AC220-240V
Power Factor	>0.90
Inrush Current	<60A
Running Current	DC24V
Protection Class IEC	Class II
Driver	Integral (non recessed version) Remote (recessed version)
Cable entry	Back

Product Codes & Specifications

Code	Description	Lumens At 4000K	Weight (kg)
