INSTALLATION INSTRUCTIONS

PLEASE READ THESE INSTRUCTIONS CAREFULLY BEFORE INSTALLATION AND LEAVE A COPY WITH THE END USER FOR FUTURE REFERENCE.

SAFETY INFORMATION – We recommend that luminaires be installed by a fully qualified and competent electrician who understands building regulations and the current IEE wiring regulations. The light source contained in this luminaire shall only be replaced by the manufacturer or a qualified professional.

Before commencing any installation or maintenance work, ensure that the electricity is switched off at the mains.

IMPORTANT USER INFORMATION

Please install and use strictly in accordance with these instructions. Make sure that you have all the tools and equipment to complete the installation safely and correctly. Improper installation could cause harm to your property and/or person and void your warranty. It is the installer's responsibility to consider fire and safety risks and take appropriate precautions.

- This instruction sheet should be passed on by the installer to the end user for maintenance purposes.
- RICOMAN products should not be modified. The company will not accept any responsibility for any modified products or for any damage caused as a result of their modification.
- This fitting is designed to be used in interior areas – do not use in any situation where the fitting is exposed to moisture.
- To clean fittings use a soft damp cloth and dry immediately. Do not use any chemical or abrasive cleaner.
- All light fittings run hot. It is the installer's responsibility to consider fire risk and take precautions. Fittings should not be installed close to any flammable material.
