Info:

NATURAL MOSS

We use preserved moss, maintaining its texture without chemicals. Using only a salt water solution and food grade dye, the moss is 'frozen in time'.

ECO FRIENDLY

All materials are sustainably sourced and contribute to reduced carbon emissions.

LOW MAINTENANCE

Designed for longevity with minimal maintenance needs. No water, soil, or direct sunlight required.

AIR QUALITY

Naturally purifies the air, enhancing your living or workspace.

SOUND ABSORBING

Helps reduce noise levels, making it ideal for busy or open-plan environments.

ALLERGEN FREE

Safe for individuals with allergies, contributing to a healthier indoor climate.

CUSTOM LAYOUTS

Tailor your moss art to fit the unique style of your space.
